

- For every purchase of fuel (95 EKOnomy Unleaded, EKO Racing 98, EKO Racing 100, Diesel EKOnomy, Diesel Avio Double Filtered, Heating Oil, Kero) from EKO service stations participating in the promotional scheme, the customer receives 1 coupon for every €10 of such purchase.
- The scheme is valid for as long as product stock or/and coupons last.
- The scheme cannot be combined with any other scheme, offer or discount.
- The coupons cannot be fully or partially exchanged with money or other products.
- The defective products can be replaced only with the presentation of the defective product and the purchasing receipt.
- No replacements are performed in the context of the warranty in case that the product has been damaged due to improper use.
- Coupons have to be affixed on this leaflet.
- **ONLY those coupons that are given through the EKO stations participating in the scheme can be affixed on this leaflet.**
- Once the required number of coupons is collected, you can purchase any item of your preference, from the Kahla Dinnerware collection, at the special discounted price, in any EKO service station participating in the scheme.
- Customers refuelling from the automatic cashiers are entitled to receive their coupons by presenting the receipt to the specific service station during working hours, within one week from refuelling.
- Coupons can be collected until 07.04.2019.
- Coupons can be exchanged until 14.04.2019.
- Coupons will be accepted only if they are affixed on this leaflet available in EKO service stations. Other types of leaflets, with different shapes and sizes, shall not be accepted.
- There is no limitation to the number of products you can purchase.
- Participation in the scheme constitutes unreserved acceptance of all the conditions of the scheme.
- The scheme can change or be terminated any time without further notice.
- The products have a 2 year warranty.
- **The EKO card holders are excluded for the scheme.**
- **Hard copy coupon conversions to digital coupons are only possible in alphamega supermarkets and only after the presentation of the hard copy coupons and the purchase receipt.**
